

HS Portfolio Collection

Collection Timeframe:

*Refer to your Ongoing Assessment Timeline for details regarding timeframe dates.

1st collection (all measures) July-November

2nd collection (all measures) September-May

Collect one observation at a minimum from each listed domain for each rating period. Child goals are a mandatory collection. Each collection needs to be accompanied by a photo. Work samples are recommended to add to the child's portfolio to show skill progression.

Note: Tag each observation in Learning Genie as Portfolio Collection and/or Child Goal. This can be found under Custom Tag Note when selecting a domain for an observation.
