

Pedestrian Safety for EHS Prenatal Enrollments

Instruction by the Home Visitor or Family Worker:

1. All pregnant women must receive Pedestrian Safety within the first 30 days of enrollment.
2. Pedestrian Safety handouts for prenatal enrollments include:
 - Partners for a Healthy Baby - #71 Car Seat Safety
Detailed Information on p110
 - The Pregnant Woman's Guide to Buckling Up - www.nhtsa.gov

Performance Standard 1310.21 Safety Education

- (a) Each agency must provide training for parents and children in pedestrian safety. The training provided to children must be developmentally appropriate and an integral part of program experiences. The need for an adult to accompany a preschool child while crossing the street must be emphasized in the training provided to parents and children. The required transportation and pedestrian safety education of children and parents, except for the bus evacuation drills required by paragraph (d) of this section, must be provided within the ***first thirty days*** of the program year.

Please sign and detach this acknowledgment showing receipt of the Pedestrian Safety Handbook.
