Zoom Expectations for Families

Shasta Head Start is excited to collaborate and communicate with children and families to work on school readiness skills and provide family support through a virtual platform. Setting expectations will allow for a meaningful experience for staff, children and families. - ❖ Try to limit distractions by turning the television and other electronic devices off.
- ❖ Be prepared to learn and bring your activity bag and pencil box to the meeting.
- ❖ Children may move as needed and are not required to participate whole time.
