

Shasta Head Start Child Development, Inc.  
Vendor Options for Classroom Supplies

Shasta Head Start strives to have high quality, developmentally appropriate supplies, and activities in each of our classrooms. To meet the need for high quality, purchasing for classroom supplies should be done through the vendors listed below.

We understand there may be times where it is needed to purchase through another vendor. If this need arises, email the Child Development Manager or Child Development Manger – EHS for approval prior to completing a Purchase Order.
