

# Commitment to Success!

## A Parent Contract

We want Raising A Reader to last a long time at our school. So, we ask you to make some promises before accepting the book bags.

If the books and book bags become damaged or lost, over time this powerful resource for children will be lost. However, if the book bags are returned regularly and books are handled with care, then these materials can be used year after year by many families.

### **Raising A Reader asks you to:**

- Help your children take care of the red book bags and books
- Watch the “Read Aloud: Share a Book with Me” video at least once
- Spend time each week sharing books with your child
- Return red book bags as scheduled

Please sign below, showing that you accept these commitments. This contract will be your “ticket” to receive your materials.
