

## General Guidelines for Shasta Head Start Substitutes

### Supervision and Scheduling:

- All Substitutes are scheduled by the HR Training and Development Coordinator, Hunter Ashmun, and supervised by Christina Knowles, Child Development Manager - EHS.
- Substitutes are 40 hours per week, 52 weeks per year employees and will be scheduled to work 8 hours per day.
- Each Substitute will be assigned to a Home Center, where they will work on days they are not scheduled to cover at another center.
- Every effort is made to schedule sub requests ahead of time, however; this is not always possible, and Substitutes may receive calls after 7:15 am to change their location for the day.
- If a Substitute receives notification from the Subline via voicemail or text, they **MUST** reply to (530) 691-5590 to confirm the time and location they are needed.
- If a Substitute is unable to work, the Substitute will call/text the Child Development Manager – EHS as soon as possible, but no later than 7:00 am and leave a message stating that they are unable to work. The Child Development Manger – EHS will notify the Subline and the center of the Substitutes absence.
- Since SHS Substitutes are full-time regular employees, Substitutes must follow all PTO, Sick Leave, Absence, and Tardy policies, as written in the SHS Personnel Policies.
- Substitutes should make every effort to check their email daily, to stay on top of agency correspondence and information.

### Working at Centers:

- Clothing should be modest, functional, and a good representation of Shasta Head Start (See Personnel Policies). Substitutes will wear SHS provided smocks in the classrooms.
- When arriving at the center, Substitutes will introduce themselves to the staff and ask for the Head Teacher/Site Supervisor or the supervisor in charge for the day. The Head Teacher/Site Supervisor, Teacher, or Primary Caregiver will be the Substitutes supervisor for the day. The supervisor for the day will give specific details regarding each site/classroom and the position the Substitute will be covering.
